CHEMICALS, LB

COMPANY PROFILE 2026

ABOUT OUR COMPANY

Bioclean is a leading manufacturer and supplier of professional-grade cleaning and hygiene solutions, proudly serving industries across Lebanon and the region.

Based in Saida on the Al Qrayeh main road, we specialize in the formulation, production, and customization of industrial cleaning products designed to meet the highest standards of quality, safety, and performance.

With ISO 9001 and GMP certifications, Bioclean upholds a strong commitment to excellence in both manufacturing practices and client satisfaction. Our R&D driven approach, combined with cold-mixing and ribbon blending capabilities, enables us to deliver powerful, efficient, and tailored solutions for laundry care, surface disinfection, food-safe hygiene, and industrial degreasing.

Our mission is to provide businesses with reliable and high-performance cleaning products that enhance operational hygiene, improve safety, and reflect a commitment to sustainability and quality.

CAPABILITIES

- Custom formulation and private labeling. In-house R&D and quality testing.
- Scalable production volumes for local and export markets. Expert support for institutional hygiene systems.
- Eco-conscious ingredient sourcing and packaging options.

WHY CHOOSE US

1. Proven track record with high-profile clients.
2. Advanced formulations for industrial and commercial needs.
3. ISO and GMP certified production.
4. Dedicated customer support and technical guidance.
5. Fast production and delivery time.
